Lesson Study    Members

**Topic:** Laws in Christ's Day

**Memory Text:** For when Gentiles who do not have the Law do instinctively the things of the Law, these, not having the Law, are a law to themselves

[\(Romans 2:14, NASB\)](#)

**Key Thought:** From the very beginning of the great controversy in heaven it has been Satan's purpose to overthrow the law of God."-Ellen G. White, *The Great Controversy*, p. 582. Why? Because the law, as the foundation of God's government, expresses the moral integrity of the cosmos; and to overthrow that law would be to overthrow the moral order of the creation itself. This week's lesson investigates the various laws that functioned in the community during the time of Christ and the early church. We will study these various laws but only in the context of helping to set a foundation for the study of the law that will be the major focus of this quarter-God's moral law, the Ten Commandments.

### **Financial Report (Tithes, Combined Budget & Expenses)**

**Tithes** - primarily support the preaching, pastoral, evangelistic work of ministers and Bible teachers. In addition, because Adventist schools are an ongoing ministry to students, tithe funds are used to subsidize selected administrative salaries and a percentage of salaries for teachers. Tithe provides for the support of local, union, division and General Conference services. Tithe is not used to purchase property, build churches or fund the general operations of churches or schools. Tithes are sent directly to the Oregon Conference to support the aforementioned efforts.

**Offerings-Combined Budget** - Contributions to Combined Budget remain at Sharon Church to pay church operating expenses. These expenses include but are not limited to utilities, landscape, janitorial services, subsidies to PAA and PAES, church secretary, maintenance, supporting church ministries, purchasing new equipment, church repairs, building and ground improvements. Our monthly target budget is \$14K a month.

### **Finance Summary January through February 2014**

Combined Budget Target YTD	\$28,000 (year to date goal)
Combined Budget Received	\$25,821(monies actually received)
Amount Short of Target YTD	\$ 2,179 (amount short of reaching goal)
Expenses	\$20,666 (expenses paid for year to date)
<b>Combined Budget exceed Expense = \$5155 (contributions more than expenses)</b>	

"Your continued giving to combined budget will ensure that the church is able to meet its financial obligations and support our local ministries. This will only be possible with significant continued support to combined budget."

### **What is Needed?**

We appreciate member's support of his/her favorite ministry. However once a ministry has received sufficient monies to support its goals, it may become necessary to direct additional donations to other church ministries or combined budget. This will provide balance and ensure all ministries are successful and the church remains financially sound. Please give accordingly. We ask for your continuing prayers and financial support to the Sharon Seventh-day Adventist Church Combined Budget. If you have any questions or know someone that wants to be a special blessing to the church, please contact Head Elder Troy Price or Finance Chair Derrick Foxworth (see back page for contact information). May God continue to richly Bless You!!
